report available here

### **Total TV dominates time spent**

Marketing activities only build mental availability in the audience they reach.

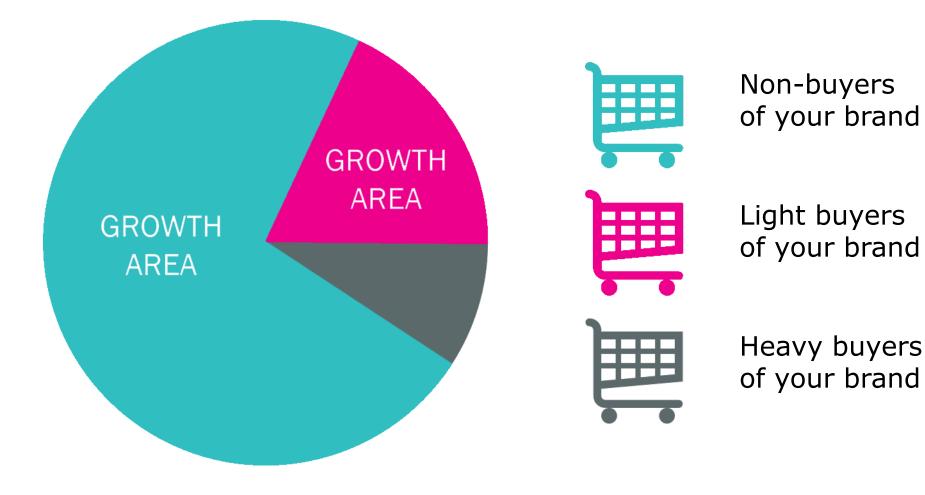

#### This makes planning for reach the foundation of any sound media strategy.

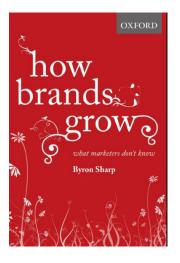

think

Byron Sharp Professor of Marketing Science, University of South Australia

# Byron Sharp has shown that the

biggest growth comes from targeting light and non-buyers

## "loyal" buyers can only buy so much

# Quorn leveraged these principles to

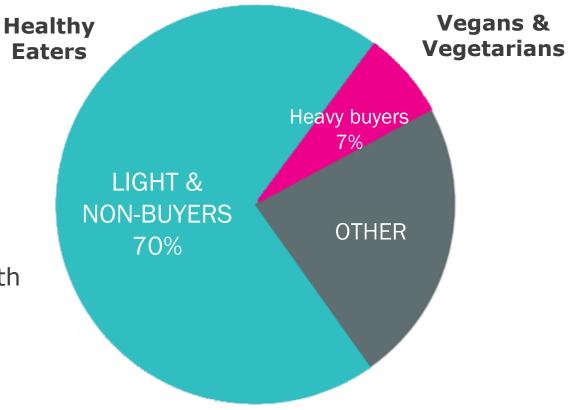

#### substantially grow market penetration

When meat-substitute company Quorn followed these principles, targeting all healthy-conscious eaters instead of just vegetarians, their sales grew 62%

#### **Business Result:**

- **62%** increase in category growth
- \$6.8 million increase in sales

## in case you missed it
